

PRIVACY POLICY

The Privacy Policy is part of the Legal Notice that governs the Website, along with the Policy on the Use of Cookies.

The website is owned by Horizon Proyectos Energéticos S.L. and complies with the requirements derived from Law 34/2002, of July 11, Services of the Information Society and Electronic Commerce, and current regulations regarding the protection of personal data and, in particular, the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and the free movement of such data.

Horizon Proyectos Energéticos S.L. reserves the right to modify or adapt this Privacy Policy at all times. Therefore, we recommend that you review it each time you access the Website. In the event that the user has registered on the website and accesses his account or profile, by accessing it, he will be informed in the event that there have been substantial changes in relation to the processing of his personal data.

RESPONSIBLE FOR TREATMENT:

The data collected or provided voluntarily via the Website, either by browsing, as well as all those that you provide us in the contact forms, via email or by phone, will be collected and processed by The File Manager, whose data is indicated below:

Company Name	Horizon Proyectos Energéticos S.L.
CIF:	B-12949459
Address	C/ Companyia del Port 11 Benicarló (Castellón)
e-Mail	info@klenergy-tech.com
URL:	http://klenergy-tech.com ; https://pylon-network.org ; http://metron.es
Company Register:	CASTELLÓN, Tomo 1676, Libro 1237, Folio 122, Sección 8, Hoja V-CS-37645.

If, for any reason, you want to contact us in any matter related to the processing of your personal data or privacy, you can do so through any of the means indicated above.

What are your rights in relation to the processing of your data?

Any person has the right to obtain information about the existence of the processing of their personal data, access the information and personal data that Horizon Proyectos Energéticos SL has, request the rectification of the inaccurate data or, where appropriate, request the deletion, when, among other reasons, the data are no longer necessary for the purposes for which they were collected, or the interested party withdraws the consent that has been granted.

In certain cases, the interested party may request the limitation of the processing of their data, in which case, we will only store them in accordance with current regulations.

In some cases, you can exercise your right to the portability of the data, which will be delivered in an appropriate format, commonly used or read mechanically to you or the new (designated by you) responsible for the treatment.

You have the right to revoke consent at any time for any of the treatments for which you have granted.

Horizon Proyectos Energéticos S.L. has forms to exercise any of the aforementioned rights, for which you must contact us at the following email address info@kenergy-tech.com requesting the model of the form(s) you need. In the same way, you can use the ones that the Spanish Data Protection Agency or third parties make available to the interested parties.

These forms must be signed electronically or accompanied by a photocopy of a official ID document (e.g. DNI). If acting through a representative, it must also be accompanied by a copy of your ID or electronic signature.

The forms must be presented in person at the home of Horizon Proyectos Energéticos S.L. indicated above or, where appropriate, sent by email.

You have the right to file a claim with the Spanish Agency for Data Protection, in the event that you consider that the request for your rights has not been adequately addressed.

The maximum period for the resolution of the matter by Horizon Proyectos Energéticos S.L. is one month, from the effective receipt of your request by us.

WHAT DATA DO WE COLLECT THROUGH THE WEB PAGE?

Data stored by navigation and use of the Website. By the simply navigating on the Website, Horizon Proyectos Energéticos S.L., will collect information regarding:

- IP address
- Browser version
- OS (Operation System)
- Duration of the visit or navigation through the Website

Such information may be stored using Google Analytics, so we refer to Google's Privacy Policy, as Google collects and treats such information. <http://www.google.com/intl/en/policies/privacy/>

In the same way, the Web Page can provide the usefulness of Google Maps, which could have access to your location, assuming that you allow it, in order to facilitate a greater specificity about the distance and / or roads to our headquarters. In this regard, we refer to the Privacy Policy used by Google Maps, in order to know the use and treatment of such data <http://www.google.com/intl/en/policies/privacy/> .

The information that we manage will not be related to a specific user and will be stored in our databases, in order to perform statistical analysis, improvements in the Website, on our products and / or services and will help us improve our business strategy. The data will not be communicated to third parties.

User registration on the Website

To access certain products and / or services, it may be necessary for the user to register on the Website. For this purpose, in the registration form, a series of personal data is requested. The necessary and obligatory data to be provided by the user to carry out such registration, are marked with the symbol *. In the case of not facilitating such fields, registration will not be carried out.

The generated username and password are personal and non-transferable, with the user responsible for their custody. We do not recommend that you write it down somewhere and that it is not shared with third parties. We remind you that the system has a password reset functionality that can be used in case of a need to reset it.

In this case, the navigation data will be associated with the user's registration, identifying the same user who browses the Web Page. In this way, we can customize the offer of products and / or services that, in our opinion, best suits the user, as well as recommend certain products and / or services.

The registration data of each user will be incorporated into the databases of Horizon Proyectos Energéticos S.L. together with the history of operations performed by the user, and will be stored in the databases while the account of the registered user is not deleted. Once such account has been deleted, the mentioned data will be separated from our databases, keeping for 10 years those data related to the transactions made, without accessing or altering them, in order to comply with the legally valid terms. The data that are not linked to the transactions carried out will be maintained for a period of 5 years unless you withdraw the consent, in which case they will be eliminated immediately.

The legal basis for the processing of your personal data is the execution of a contract between the parts, in which the user requests Horizon Proyectos Energéticos SL, a series of products / services / utilities.

The purposes of the treatment will be the following:

- a) Manage registration in the user registration area and access to the Website
- b) Manage the purchase of products and / or services made available to you through the Website.
- c) Keep you informed of the processing and status of contracted services.
- d) Respond to your request for information.
- e) Manage all utilities that the platform can offer.

Thus, we inform you that you can receive communications via email and / or on your phone, in order to inform you of possible incidents, e.g. problems, problems and / or status of your orders.

Your personal data may be provided to third parties, in order to carry out certain procedures and / or services requested by the user.

Assumption	Third parties to whom the information is communicated or provided
(In the event of placing an order through web page)	- Delivery companies: Correos España. - Payment platforms: PayPal ; Redsys; - Hosting company: OVH - Others.

For the purpose of sending commercial communications, the express consent of the user will be requested at the time of registration. In this regard, the user may revoke the consent given, by going to Horizon Proyectos Energéticos S.L., making use of the means indicated above. In any case, in each commercial communication, you will be given the possibility to unsubscribe when receiving them, either through a link and/or email address.

Data provided in the contact form

You can contact us directly through the mail provided on the Website. For this purpose, it is necessary for the User to identify himself and indicate his personal data, so that Horizon Proyectos Energéticos S.L., can contact the user, in case it is necessary to meet his request for information. The necessary and obligatory data to be provided by the user to carry out such registration are marked with the symbol *. In the case of not facilitating such fields, the sending of your request will not be allowed. Such personal data will be incorporated into the databases of Horizon Proyectos Energéticos S.L. will erect them to answer your request and / or request for information and, after that, will be eliminated within 2 months. The legal basis for the treatment of such data is the consent of the user requesting information, or the need to maintain contact with Horizon Proyectos Energéticos SL.

The purposes of the treatment will be:

- a) Managing inquiries or requests for information that you send us through the Website, email or telephone.
- b) Sending communications, special promotions, news or actions that result from your interest or your request, even by electronic means. Being an accessory to the main purpose, you must check the box enabled for this purpose.

The personal data that you provide us by this means will not be communicated to third parties, being Horizon Proyectos Energéticos S.L. who gives, directly answer to this type of consultations.

Work with us.

In the event that you provide us with your curriculum vitae, either through the Website, email or physically at our registered address, Horizon Proyectos Energéticos S.L. will incorporate them into your database. The curriculum will be stored for a period of 1 year, after which, in the case of not establishing any contact with you, it will be eliminated.

The legal basis for the treatment will be based on the expressed consent granted by the interested party for the treatment of the data contained in the curriculum upon submitting it and checking the box enabled for this purpose.

The purpose of the treatment is to incorporate current and future processes of selection of Horizon Proyectos Energéticos SL.

In the event that, finally, the interested party is incorporated as an employee to Horizon Proyectos Energéticos SL, their data will be incorporated into a database owned by us, in order to internally manage the employment – employer relationship.

Newsletter

On the Website the option of subscribing to the Newsletter of Horizon Proyectos Energéticos S.L is offered. Regarding this, it is necessary that you provide us with an email address to which the newsletter will be sent.

Such information will be stored in a database of Horizon Proyectos Energéticos S.L. in which, it will stay registered until the interested party requests the cancellation of the same or, where appropriate, be terminated by Horizon Proyectos Energéticos S.L.

The legal basis for the treatment of these personal data is the express consent given by all those interested to subscribe to this service by checking the box assigned for this purpose.

The data of the emails will only be processed and stored in order to manage the delivery of the Newsletter by users who request it.

To do this, an application for the automatic sending of the Newsletter is used, having the same access to the email addresses:

Application Name	Holder of the application / Country
- Mailchimp	Mailchimp / Estados Unidos

To send the Newsletter, the express consent of the user will be requested when making registering for it, by checking the box assigned for that purpose. In this regard, the user may revoke the consent given, by addressing to Horizon Proyectos Energéticos S.L. making use of the means indicated above. In any case, in each communication, you will be given the possibility to unsubscribe when received, either through a link and / or email address.

The newsletter is sent using the Mailchimp platform located in the USA, which results in an international transfer of data covered by the European Union - United States agreement called Privacy Shield <https://www.privacyshield.gov/list> .
